

## **Data protection information for temperature measurement by thermal camera at the visitor entrance of WISKA Hoppmann GmbH**

A thermal camera for body temperature measurement has been installed in our reception area. This allows for contactless temperature measuring of all persons entering our building.

No personal data will be processed in this context.

### **Responsible**

WISKA Hoppmann GmbH, Kisdorfer Weg 28, 24568 Kaltenkirchen

### **Legal basis**

Ensuring and exercising domestic authority, here: Occupational safety and health protection

### **Which data are processed?**

A thermal image is generated, which is only seen by the receiving staff. Data storage or processing do not take place.

### **Recipients and data transfer**

No data will be shared.

### **Data protection officer**

You can contact our data protection officer at: [Knittel@datenbeauftragter-info.de](mailto:Knittel@datenbeauftragter-info.de)

### **Your rights of the data subject**

You can contact us at any time for information. In the case of a request for information that is not made in writing, we ask for your understanding that we may require individually identifiable information that proves that you are the person you claim to be.

### **Right to complain to a regulatory authority**

You have the right to complain about the measure to a data protection regulatory authority.

### **Modification of this privacy policy**

We will revise this privacy notice in the event of any changes or other notices that may require this. The current version can always be found on this website.
