LEDJOY® in the final's.

For the second consecutive year, WISKA's latest product innovation (LEDJOY®) has been selected as a finalist for this year's Electrical Industry Awards 2018.

The Electrical Industry Awards is an annual awards ceremony organised by The Electrical Times Magazine, celebrating excellence and product innovation within the electrical industry. LEDJOY® has been selected for Residential/ Domestic Product of the Year 2018.

LEDJOY® is an IP68 pre-filled gel insulated junction device for connecting small cross-section cables from 0.5 to 1.5mm². LEDJOY® is perfect for narrow and tight spaces and excellent for LED lighting, video-surveillance systems, urban and civic lighting (street lighting, road and carriageway signs, gardens, fountains, ground lighting).

LEDJOY® comes complete with both 2-pole and 3-pole connectors. The unique cable blocking system ensures a safe and securely connected cable. As with all of WISKA's gel products, LEDJOY® has no expiry date, is re-enterable and non-toxic.

The awards take place on Thursday 25th October at The Royal Garden Hotel, London.
